3. Data collection on our website

Cookies

Some of our web pages use cookies. Cookies do not harm your computer and do not contain any viruses. Cookies help make our website more user-friendly, efficient, and secure. Cookies are small text files that are stored on your computer and saved by your browser.

Most of the cookies we use are so-called "session cookies." They are automatically deleted after your visit. Other cookies remain in your device's memory until you delete them. These cookies make it possible to recognize your browser when you next visit the site.

You can configure your browser to inform you about the use of cookies so that you can decide on a case-by-case basis whether to accept or reject a cookie. Alternatively, your browser can be configured to automatically accept cookies under certain conditions or to always reject them, or to automatically delete cookies when closing your browser. Disabling cookies may limit the functionality of this website.

Cookies which are necessary to allow electronic communications or to provide certain functions you wish to use (such as the shopping cart) are stored pursuant to Art. 13 of the EU Regulation n. 2016/679 (GDPR - law related to the protection of personal data). The website operator has a legitimate interest in the storage of cookies to ensure an optimized service provided free of technical errors. If other cookies (such as those used to analyze your surfing behavior) are also stored, they will be treated separately in this privacy policy.

Server log files

The website provider automatically collects and stores information that your browser automatically transmits to us in “server log files”. These are:

- Browser type and browser version
- Operating system used
- Referrer URL
- Host name of the accessing computer
- Time of the server request
- IP address

These data will not be combined with data from other sources.

The basis for data processing is Art. 13 of the EU Regulation n. 2016/679 (GDPR - law related to the protection of personal data), which allows the processing of data to fulfill a contract or for measures preliminary to a contract.

Contact form

Should you send us questions via the contact form, we will collect the data entered on the form, including the contact details you provide, to answer your question and any follow-up questions. We do not share this information without your permission.

We will, therefore, process any data you enter onto the contact form only with your consent per Art. 13 of the EU Regulation n. 2016/679 (GDPR - law related to the protection of personal data). You may revoke your consent at any time. An informal email making this request is sufficient. The data processed before we receive your request may still be legally processed.

We will retain the data you provide on the contact form until you request its deletion, revoke your consent for its storage, or the purpose for its storage no longer pertains (e.g. after fulfilling your request). Any mandatory statutory provisions, especially those regarding mandatory data retention periods, remain unaffected by this provision.

Registration on this website

You can register on our website in order to access additional functions offered here. The input data will only be used for the purpose of using the respective site or service for which you have registered. The mandatory information requested during registration must be provided in full. Otherwise, we will reject your registration.

We will process the data provided during registration only based on your consent per Art. 13 of the EU Regulation n. 2016/679 (GDPR - law related to the protection of personal data). You may revoke your consent at any time with future effect. An informal email making this request is sufficient. The data processed before we receive your request may still be legally processed.

We will continue to store the data collected during registration for as long as you remain registered on our website. Statutory retention periods remain unaffected.

Leaving comments on this website

If you use the comment function on this site, the time at which you created the comment and your email address will be stored along with your comment, as well as your username, unless you are posting anonymously.

Storage of the IP address

Our comment function stores the IP addresses of those users who post comments. Since we do not check comments on our site before they go live, we need this information to be able to pursue action for illegal or slanderous content.

Subscribing to the comment feed

As a user of this site, you can sign up to receive the comment feed after registering. Your email address will be checked with a confirmation email. You can unsubscribe from this function at any time by clicking the link in the emails. The data provided when you subscribed to the comments feed will then be deleted, but if you have submitted this data to us for other purposes or elsewhere (such as subscribing to a newsletter), it will be retained.

How long comments are stored

The comments and the associated data (e.g. IP address) are stored and remain on our website until the content commented upon has been completely deleted or the comments are required to be removed for legal reasons (slander, etc.).

Legal basis

The comments are stored based on your consent per Art. 13 of the EU Regulation n. 2016/679 (GDPR - law related to the protection of personal data). You may revoke your consent at any time with future effect. An informal email making this request is sufficient. The data processed before we receive your request may still be legally processed.

4. Analytics and advertising

Google Analytics

This website uses Google Analytics, a web analytics service.

It is operated by Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA.

Google Analytics uses so-called “cookies”. These are text files that are stored on your computer and that allow an analysis of the use of the website by you.

The information generated by the cookie about your use of this website is usually transmitted to a Google server in the USA and stored there.

Google Analytics cookies are stored based on Art. 13 of the EU Regulation n. 2016/679 (GDPR - law related to the protection of personal data). The website operator has a legitimate interest in analyzing user behavior to optimize both its website and its advertising.

IP anonymization

We have activated the IP anonymization feature on this website. Your IP address will be shortened by Google within the European

Union or other parties to the Agreement on the European Economic Area prior to transmission to the United States. Only in exceptional cases is the full IP address sent to a Google server in the US and

shortened there. Google will use this information on behalf of the operator of this website to evaluate your use of the website, to compile reports on website activity, and to provide other services regarding website activity and Internet usage for the website operator. The IP address transmitted by your browser as part of Google Analytics will not be merged with any other data held by Google.

Browser plugin

You can prevent these cookies being stored by selecting the appropriate settings in your browser. However, we wish to point out that doing so may mean you will not be able to enjoy the full functionality of this website. You can also prevent the data generated by cookies about your use of the website (incl. your IP address) from being passed to Google, and the processing of these data by Google, by downloading and installing the browser plugin available at the following link: <https://tools.google.com/dlpage/gaoptout?hl=en>.

Objecting to the collection of data

You can prevent the collection of your data by Google Analytics by clicking on the following link. An opt-out cookie will be set to prevent your data from being collected on future visits to this site: Disable Google Analytics.

For more information about how Google Analytics handles user data, see Google's privacy policy: <https://support.google.com/analytics/answer/6004245?hl=en>.

Outsourced data processing

We have entered into an agreement with Google for the outsourcing of our data processing and fully implement the strict requirements of the German data protection authorities when using Google Analytics.

Demographic data collection by Google Analytics

This website uses Google Analytics' demographic features. This allows reports to be generated containing statements about the age, gender, and interests of site visitors. This data comes from interest-based advertising from Google and third-party visitor data. This collected data cannot be attributed to any specific individual person. You can disable this feature at any time by adjusting the ads settings in your Google account or you can forbid the collection of your data by Google Analytics as described in the section "Refusal of data collection".

Google AdSense

This website uses Google AdSense, a service for including advertisements from Google Inc. ("Google"). It is operated by Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA.

Google AdSense uses so-called "cookies", which are text files stored in your computer that enable an analysis of the way you use the website. Google AdSense also uses so-called web beacons (invisible graphics). Through these web beacons, information such as the visitor traffic on these pages can be evaluated.

The information generated by cookies and web beacons relating to your use of this website (including your IP address), and delivery of advertising formats, is transmitted to a Google server in the US and stored there. This information can be passed on from Google to contracting parties of Google. However, Google will not merge your IP address with other data you have stored.

AdSense cookies are stored based on Art. 13 of the EU Regulation n. 2016/679 (GDPR - law related to the protection of personal data). The website operator has a legitimate interest in analyzing user behavior to optimize both its website and its advertising.

You can prevent the installation of cookies by setting your browser software accordingly. Please be aware that in this case, you may not be able to make full use of all the features of this website. By using this website, you agree to the processing of data relating to you and collected by Google as described and for the purposes set out above.

Google Analytics Remarketing

Our websites use the features of Google Analytics Remarketing combined with the cross-device capabilities of Google AdWords and DoubleClick.

This service is provided by Google Inc., 1600 Amphitheater Parkway, Mountain View, CA 94043, USA.

This feature makes it possible to link target audiences for promotional marketing created with Google Analytics Remarketing to the cross-device capabilities of Google AdWords and Google DoubleClick. This allows advertising to be displayed based on your personal interests, identified based on your previous usage and surfing behavior on one device (e.g. your mobile phone), on other devices (such as a tablet or computer).

Once you have given your consent, Google will associate your web and app browsing history with your Google Account for this purpose. That way, any device that signs in to your Google Account can use the same personalized promotional messaging.

To support this feature, Google Analytics collects Google-authenticated IDs of users that are temporarily linked to our Google Analytics data to define and create audiences for cross-device ad promotion.

You can permanently opt out of cross-device remarketing/targeting by turning off personalized advertising in your Google Account; follow this link: <https://www.google.com/settings/ads/onweb/>.

The aggregation of the data collected in your Google Account data is based solely on your consent, which you may give or withdraw from Google per Art. 13 of the EU Regulation n. 2016/679 (GDPR - law related to the protection of personal data) For data collection operations not merged into your Google Account (for example, because you do not have a Google Account or have objected to the merge), the collection of data is based on Art. 13 of the EU Regulation n. 2016/679 (GDPR - law related to the protection of personal data). The website operator has a legitimate interest in analyzing anonymous user behavior for promotional purposes.

For more information and the Google Privacy Policy, go to: <https://www.google.com/policies/technologies/ads/>.

Google AdWords and Google Conversion Tracking

This website uses Google AdWords. AdWords is an online advertising program from Google Inc., 1600 Amphitheater Parkway, Mountain View, CA 94043, United States (“Google”).

As part of Google AdWords, we use so-called conversion tracking. When you click on an ad served by Google, a conversion tracking cookie is set. Cookies are small text files that your internet browser stores on your computer. These cookies expire after 30 days and are not used for personal identification of the user. Should the user visit certain pages of the website and the cookie has not yet expired, Google and the website can tell that the user clicked on the ad and proceeded to that page.

Each Google AdWords advertiser has a different cookie. Thus, cookies cannot be tracked using the website of an AdWords advertiser. The information obtained using the conversion cookie is used to create conversion statistics for the AdWords advertisers who have opted for conversion tracking. Customers are told the total number of users who clicked on their ad and were redirected to a conversion tracking tag page. However, advertisers do not obtain any information that can be used to personally identify users. If you do not want to participate in tracking, you can opt-out of this by easily disabling the Google Conversion Tracking cookie by changing your browser settings. In doing so, you will not be included in the conversion tracking statistics.

Conversion cookies are stored based on Art. 13 of the EU Regulation n. 2016/679 (GDPR - law related to the protection of personal data). The website operator has a legitimate interest in analyzing user behavior to optimize both its website and its advertising.

For more information about Google AdWords and Google Conversion Tracking, see the Google Privacy Policy: <https://www.google.de/policies/privacy/>.

You can configure your browser to inform you about the use of cookies so that you can decide on a case-by-case basis whether to accept or reject a cookie. Alternatively, your browser can be configured to automatically accept cookies under certain conditions or to always reject them, or to automatically delete cookies when closing your browser. Disabling cookies may limit the functionality of this website.

Google reCAPTCHA

We use “Google reCAPTCHA” (hereinafter “reCAPTCHA”) on our websites. This service is provided by Google Inc., 1600 Amphitheater Parkway, Mountain View, CA 94043, USA (“Google”).

reCAPTCHA is used to check whether the data entered on our website (such as on a contact form) has been entered by a human or by an automated program. To do this, reCAPTCHA analyzes the behavior of the website visitor based on various characteristics. This analysis starts automatically as soon as the website visitor enters the website. For the analysis, reCAPTCHA evaluates various information (e.g. IP address, how long the visitor has been on the website, or mouse movements made by the user). The data collected during the analysis will be forwarded to Google.

The reCAPTCHA analyses take place completely in the background. Website visitors are not advised that such an analysis is taking place.

Data processing is based on Art. 13 of the EU Regulation n. 2016/679 (GDPR - law related to the protection of personal data). The website operator has a legitimate interest in protecting its site from abusive automated crawling and spam.

For more information about Google reCAPTCHA and Google’s privacy policy, please visit the following links: <https://www.google.com/intl/de/policies/privacy/> and <https://www.google.com/recaptcha/intro/android.html>.

We will, therefore, process any data you enter onto the contact form only with your consent per Art. 13 of the EU Regulation n. 2016/679 (GDPR - law related to the protection of personal data). You can revoke consent to the storage of your data and email address as well as their use for sending the newsletter at any time, e.g. through the “unsubscribe” link in the newsletter. The data processed before we receive your request may still be legally processed.

MailChimp

This website uses the services of MailChimp to send newsletters. This service is provided by Rocket Science Group LLC, 675 Ponce De Leon Ave NE, Suite 5000, Atlanta, GA 30308, USA.

MailChimp is a service which organizes and analyzes the distribution of newsletters. If you provide data (e.g. your email address) to subscribe to our newsletter, it will be stored on MailChimp servers in the USA.

MailChimp is certified under the EU- US Privacy Shield. The Privacy Shield is an agreement between the European Union (EU) and the US to ensure compliance with European privacy standards in the United States.

We use MailChimp to analyze our newsletter campaigns. When you open an email sent by MailChimp, a file included in the email (called a web beacon) connects to MailChimp's servers in the United States. This allows us to determine if a newsletter message has been opened and which links you click on. In addition, technical information is collected (e.g. time of retrieval, IP address, browser type, and operating system). This information cannot be assigned to a specific recipient. It is used exclusively for the statistical analysis of our newsletter campaigns. The results of these analyses can be used to better tailor future newsletters to your interests.

If you do not want your usage of the newsletter to be analyzed by MailChimp, you will have to unsubscribe from the newsletter. For this purpose, we provide a link in every newsletter we send. You can also unsubscribe from the newsletter directly on the website.

Data processing is based on Art. 13 of the EU Regulation n. 2016/679 (GDPR - law related to the protection of personal data). You may revoke your consent at any time by unsubscribing to the newsletter. The data processed before we receive your request may still be legally processed.

The data provided when registering for the newsletter will be used to distribute the newsletter until you cancel your subscription when said data will be deleted from our servers and those of MailChimp. Data we have stored for other purposes (e.g. email addresses for the members area) remains unaffected.

For details, see the MailChimp privacy policy at <https://mailchimp.com/legal/terms/>.

Completion of a data processing agreement

We have entered into a data processing agreement with MailChimp, in which we require MailChimp to protect the data of our customers and not to disclose said data to third parties. This agreement may be viewed at the following link: <https://mailchimp.com/legal/forms/data-processing-agreement/sample-agreement/>.
